HEALING WOMEN, RESTORING LIVES

The Year in Pictures

Happy New Year from the Worldwide Fistula Fund! Because of the generous support of our donors, the Worldwide Fistula Fund was able to open the Danja Fistula Center and help more women than ever before in 2012. Thanks to everyone who made this possible. We are privileged to enable such strong and determined women.

If you haven't yet made a year-end donation to the Worldwide Fistula Fund, just click below. Together we can ensure a better future for women with obstetric fistula in 2013.

Please give today to ensure a brighter future for tomorrow
