

WORLDWIDE FISTULA FUND

HEALING WOMEN, RESTORING LIVES

This Year Your Purchase Gives a Second Gift

This holiday season it's as easy to help Worldwide Fistula Fund as it is to do your seasonal shopping. By using the iGive Button you can combine your shopping with your donations at over 1,000 stores like Amazon, JCPenney, Macy's and Nordstrom. And, it's completely free, all costs are paid for by the stores!

The optional iGive Button makes giving really, really simple. It automatically makes sure that a portion of your purchases at over 1,000 stores means a free donation to Worldwide Fistula Fund. The Button makes sure every purchase counts, even if you forget. Just visit iGive.com and start your shopping there.

In addition, Worldwide Fistula Fund will receive an **extra \$5** for every new member that tries the iGive Button, even if you don't end up shopping. Follow the link below to make your donations over this festive period as easy as doing your shopping online. It is easy to set up, and it benefits women suffering from obstetric fistula.
