

# WORLDWIDE FISTULA FUND

## HEALING WOMEN, RESTORING LIVES

Thank you for all you helped us accomplish in 2016!

[See all 2016 highlights](#)

Dr. Payne blogged about his travel to Danja Fistula Center to perform complicated surgeries, and in Ethiopia, **he helped train 84 students, residents and faculty** through WFF's [Mekelle Medical Education Collaboration \(MMEC\)](#).

[ALL BLOGS](#)

Dr. Nardos' team provided pelvic floor reconstructive surgery to **42 women** in Ethiopia as part of our [Urogynecology Fellowship Program](#), the 1st in Ethiopia.

[ALL PROGRAM VIDEOS](#)

Ugandan partner, **Alice Emasu**, visited Chicago to meet local **supporters** and share products from women we've healed. WFF hosted events including a wine tasting at Bluff Stone Vineyard, MN and more.
