

WORLDWIDE FISTULA FUND
HEALING WOMEN, RESTORING LIVES

DOUBLE YOUR IMPACT

on International Day to End Fistula!

An anonymous donor is matching \$5,000 in May gifts

GIVE TODAY!

Grace had no way to get to the hospital...

With no transportation and no money for a bus ticket, a neighbor helped Grace walk to a health clinic while in obstructed labor.

Grace was lucky; her baby survived. **In 90% of births where a woman suffers a fistula, the baby is stillborn.**

3 days after labor, Grace discovered she was leaking urine uncontrollably.
